Dedications and Baptisms

Provide your child with a ceremony that will bless and honor their life and future with prayers, wishes, hopes and dreams from their loved ones, their ancestors and the Universe. May blessings of light, love, wisdom and truth shine down upon all of you.

We call upon all that is sacred to touch the core of your being and to illuminate your life so you may forever and a day walk in love and be protected from all harm. © KMG

“Blessings Upon You, Our Little One.”
